

## *Correction: Developing a globally applicable evidence-informed competency framework to support capacity strengthening in clinical research*

Julé A, Furtado T, Boggs L, *et al.* Developing a globally applicable evidenceinformed competency framework to support capacity strengthening in clinical research. *BMJ Global Health* 2017;2:e000229.

In the competing interests section the following statement: ‘The Global Health Network is funded by the Bill and Melinda Gates Foundation’ incorrectly infers that the Bill & Melinda Gates foundation is the sole funder. This is inaccurate and should read: ‘The Global Health Network is funded in part by a grant from the Bill & Melinda Gates Foundation.’
